

Your 2020-21 Free Application for Federal Student Aid (FAFSA) has been selected for Verification, requiring that we check the accuracy of certain information reported on your FAFSA. Our office will compare your FAFSA with the information on this worksheet and with other required documents, making corrections if needed. You and at least one parent (if dependent) whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit all to TLU Student Financial Services within 45 days of notification. Your 2020-21 financial aid is not final and will not be disbursed until this is completed. We may ask for additional information after you return this form. Verification policy is available at tlu.edu/finaid-policies.
