19. All faculty members on 12-month appointments.
20. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
21. Davidson College provides employees \$750 or \$1,500 toward a Health Savings Account (HSA) for those who elect to take the high-deductible health plan. This year the college's expenses include \$155,251 in HSA contributions that are not reflected on this year's AAUP survey.
22. In an effort to establish standard titles and provide promotion opportunities for nontenured faculty across units, in 2018 Penn State instituted a policy that created new academic teaching ranks of teaching professor, associate teaching professor, and assistant teaching professor. Consequently, a large number of faculty moved from lecturer and instructor ranks into one of the new teaching ranks. Per AAUP survey instructions, these non-tenure-track ranks are categorized with tenured and tenure-track ranks. The recategorization and mandatory AAUP reporting guidelines resulted in decreased average faculty salaries that are not a true reflection of the salary structure at Penn State for tenured and tenure-track faculty members.
23. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses. 36. Number of faculty were calculated using FTEs rather than unduplicated headcounts.
37. Includes only full-time faculty members on 9-month contracts. Excludes full-time faculty members on 12-month contracts.
38. Partial or full tuition waiver at this institution, depending on hire date. Partial waiver at other institutions (but not through a consortium or Tuition Exchange).
39. Retirement benefits are estimated based on a percentage of total pay, according to the human resources office.
40. Salary includes university-funded (not grant-funded) research allowances paid to faculty on 9-month contracts.
41. Starting in 2020–21, data are reported for total university rather than by campus.
42. Step progressions as well as housing stipends if applicable were included in total compensation for 2020–21.
43. The salary decrease among continuing associate professors with 12-month contracts represents a temporary reduction among some positions due to the COVID-19 pandemic.
44. Formerly known as Indiana University–Purdue University–Fort Wayne.
45. University of South Florida has consolidated to form one university instead of a system of three universities; henceforth, the data will be reported as one university under the IPEDS Unit ID 137351.
46. Visiting faculty and professors of practice were reported at instructor rank per AAUP instructions this year. Previously, visiting faculty were reported at rank (visiting assistant at assistant and so forth) and professors of practice were reported as no rank.
76. Ohio University excluded non-tenure-track faculty members from the data reported to AAUP.
77. University of Pennsylvania excluded non-tenure-track faculty members from the data reported to AAUP.
78. Duke University excluded non-tenure-track faculty members from the data reported to AAUP.
79. Johns Hopkins University excluded non-tenure-track faculty members from the data reported to AAUP.

NOTES TO APPENDIX III

47. Adjunct faculty compensation is reported only for sections that meet minimum enrollment criteria.
48. All Austin College courses are offered as one “course unit,” which we equate to 4 credit hours on a standard university schedule. The part-time faculty pay is for these “one course unit” courses.
49. All part-time faculty teach courses that are equivalent to 4 semester hours. Salaries have not been converted to 3 credit hours.
50. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
51. Excludes data points for part-time faculty members who are also compensated for their responsibility outside of their teaching duties. There is no distinction in the portion of the salary that is associated with their teaching responsibility. In addition, part-time faculty members who exclusively teach clinics were excluded.
52. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses.
54. Includes Brentwood, Brooklyn, Hudson at Westchester, Post, and Riverhead campuses.
55. Includes Chalon and Doheny campuses. The minimum, mean, and maximum salary amounts are provided per the university's academic salary table. The per unit rates articulated on our salary table have been calculated to represent the minimum, maximum, and mean payment for a 3-unit course. Salary amounts for all nonsalaried part-time faculty are based on this salary table.
56. Includes Cookeville, Highland Crest, and Livingston campuses.
57. Includes Everett, Pullman, Spokane, Tri-Cities, and Vancouver campuses.
58. Includes Great Valley, Harrisburg and Erie campuses.
59. Includes Kenai Peninsula, Kodiak, Matanuska Susitna, and Prince William Sound Colleges.
60. Includes McMinnville Campus, School of Nursing, and Online and Continuing Education.
61. Includes Owens, Stanton/George, and Terry campuses.
62. Includes U of Arizona–South.
63. Includes the Mount Ida Campus, formerly reported as a separate institution, Mount Ida College.
64. Lecturer (per section) pay is for Denver Campus only and refers to 2018 policy grid, aged 2 percent for one year to estimate academic year 2019–20 rates. Count is for Denver/AMC consolidated, excluding School of Medicine.
65. Most regular sections carry four credits.
66. Number of faculty were calculated using FTEs rather than unduplicated headcounts.
67. Part-time faculty salaries are not converted; based on 4-credit course sections.
68. Part-time excludes private lessons and law.
69. Part-time faculty compensation is highly variable and depends upon course enrollments, instructor degree, and other factors. Salary information is provided based upon courses taught at the standard rate for the faculty member (per AAUP guidance).
70. Pay is on a course-unit system, where courses are essentially 4 semester credits.
71. Per-section salary amounts are for one course (5 credits)—the vast majority of Sarah Lawrence courses are five credits.
72. Starting in 2020–21, data are reported for total university rather than by campus.
73. The maximum per-section salary amount is inclusive of courses that require special expertise or professional credentials to teach the section.
74. Formerly known as Indiana University–Purdue University–Fort Wayne

75. University of South Florida has consolidated to form one university instead of a system of three universities; henceforth, the data will be reported as one university under the IPEDS Unit ID 137351.
